- \$45.10 per cremation
- \$69.30 per ash interment
- \$171.60 per burial

**Why an interment services levy?** The interment services levy (the levy) is a levy on interment services to fund the cost of Cemeteries and Crematoria NSW (CCNSW; the regulator) to deliver better outcomes for customers and the community, and to support industry to meet the new licensing standards.

**When does a service attract the levy?** The levy applies at the time the interment service (burial, ash interment or cremation) is rendered, regardless of when it is purchased.

**What about services purchased before 1 July 2024?** The levy applies at the time the interment service occurs, regardless of when it was purchased. This means that the levy applies to services purchased before 1 July 2024 if the burial, cremation, or ash interment happens on or after 1 July 2024.
